

Post Convention Opening 04/28/2024

Good morning Executive Board Members and Guest

Before I end my term as the 2020-2024 Chaplain today, I would like to take a moment to thank Rosena for her leadership this biennium. I have enjoyed my chance to provide my “Thoughts of the Day” at our Executive Board Meetings, District Council Meetings and this past weekend at the California State Convention. This office has given me a chance to better know each of you board members as well as to brush up on my writing and speaking skills. It has been a wonderful experience that I will always treasure. I have been proud to have been part of a board that took a “Step Into The Future”.

Post Convention Closing 04/28/2024

Our season has come to the end as the 2022-24 California State Executive Board. We have worked hard with President Rosena as she lead us to “*Step Into The Future*“ with her. We can be proud of our many accomplishments and look forward to a new biennium and season with Virginia Riding as she leads California in the 2024-2026 biennium. As we leave today I would like to leave you with my personal quote, “Change is inevitable during seasons and life, but it can also bring about great new opportunities in AΔK”. Thank you.
